

# COMMS-CARE PARTNER RESOURCE CENTRE

## A complimentary marketing service to all Comms-care partners

Consistency is important when providing your customers with key information on the IT services you provide. Producing and printing sales documentation can be expensive and timely – an issue you can now avoid by utilising the 'Comms-care Partner Resource Centre'.

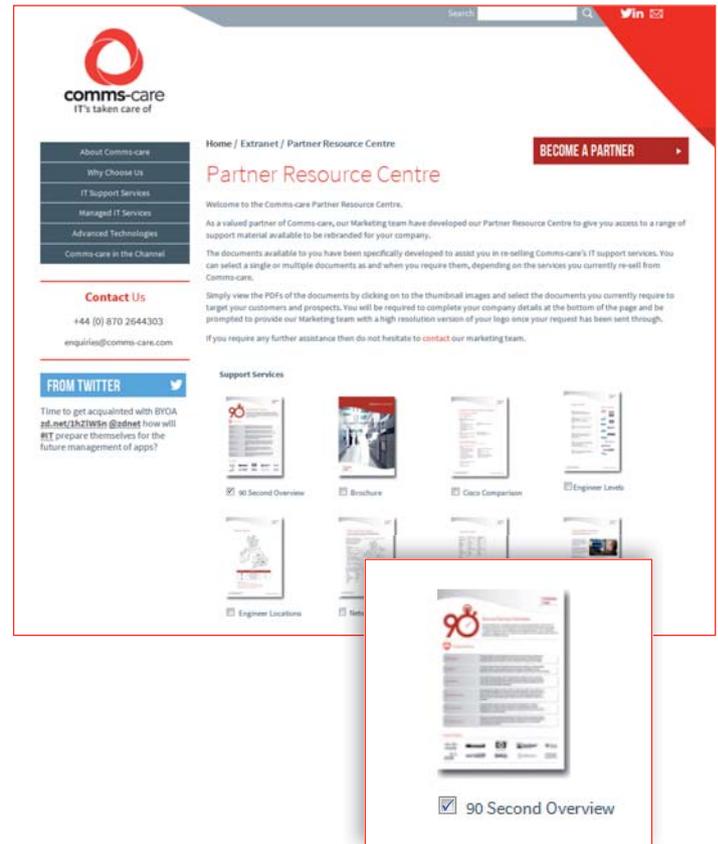

With our partners in mind, the marketing team at Comms-care have introduced an online document service designed for partners to quickly and efficiently resell Comms-care's IT support services.

A complimentary service to all channel partners, the Comms-care Partner Resource Centre (PRC) aims to turnaround all requests within a 5-10 day timeframe, with all documents rebranded with your logo and corporate colours.

All partners have access to the secure online portal which is easily accessible by entering a username and password, provided by your Comms-care Account Manager or a member of the marketing team.

### Benefits to partners

- > Quick turnaround – usually 5-10 working days
- > All documentation rebranded with your logo and associated company colours
- > Regularly updated with new documents in line with Comms-care's service offerings
- > Complimentary service to all partners
- > Assists you in reselling Comms-care's IT support services

“ The Partner Resource Centre is easy to access and simple to use; we can see examples of the designs before we request them and the choice of collateral available is great! ITPS have found the PRC to be a fantastic tool in enhancing our brand and our portfolio of service offerings. ”

### Selecting documents

When you are logged into the PRC you will see all the documents available for rebranding. Previews of the documents are available by clicking thumbnail image. Simply tick the box under the thumbnail of each documents you require, fill in the form at the bottom of the page and press submit.

### What happens next...

Your request will come through to our Designer who will be your main point of contact throughout the rebranding process. You will receive an email asking you to confirm your company details and provide us with a high resolution logo. Production will then begin and you will receive your rebranded documents within 5-10 working days.

#### Access to PRC

Your Comms-care Account Manager will provide you with valid login details to provide you with access to the PRC.

If you have any questions at any time you can contact the marketing team on [marketing@comms-care.com](mailto:marketing@comms-care.com).

### Partner Documentation Process

*The Partner Resource Centre available to Comms-care partners has enabled us to produce professionally designed marketing collateral at a fraction of the normal cost. More importantly, this collateral has enabled our sales team to position Comms-care services at the right level and setting the right expectation.*
